

# Welcome Survey [current semester]

Welcome to the [current semester] UNM Online Welcome Survey.

The information you provide in the [current semester] UNM Online Welcome Survey will be shared with your online instructor. You'll complete the survey only once. If enrolled in more than one online course, your information will be shared with each of your online instructors.

Completing the survey will take about 15 minutes. It remains open until 11:59 PM MDT on Monday, [closing date].

Email me at [evaluate@unm.edu](mailto:evaluate@unm.edu). I can help with technical support issues. I am available Monday to Friday, 8:00 am - 5:00 pm. Should you have technology issues outside of the survey, I recommend contacting UNM Learn Support at 877-688-8817. They're available 24/7.

Your online instructors do want to know you better, so thank you for participating.
