The screenshot shows the UNM Learn dashboard. At the top, there is a navigation bar with 'UNM | Learn' on the left and 'Demo User 2' on the right. Below this is a secondary navigation bar with 'My Learn' and 'Support' tabs. The main content area is divided into several widgets: 'Messages' (highlighted with a red border), 'Announcements', 'Calendar', 'My Courses', 'WebCT Access', 'Institution Bookmarks', and 'My Grades'. The 'Messages' widget displays 'Courses with Messages: You have no new unread messages!' and 'Last Updated: May 28, 2013 5:32 PM'. The 'My Courses' widget lists 'NREL Course Designer 8 Week'. The 'WebCT Access' widget shows an error message: 'Sorry, unable to extract your details from WebCT'. The 'Institution Bookmarks' widget lists various support services like 'UNM University Libraries' and 'CAPS Online Tutoring Services'. A white box with a black border is overlaid on the 'My Courses' widget, containing the text 'And on the My Learn page'.
